**DEPARTMENT OF HEALTH SERVICES
KERALA**

**LIST OF MODERN MEDICINE INSTITUTIONS
2024 - 25**

Prepared by
**HEALTH INFORMATION CELL (STATISTICS DIVISION)
DIRECTORATE OF HEALTH SERVICES**

PREFACE

Kerala has always been a leader in public healthcare, with a strong network of health facilities that have greatly contributed to the state's excellent health indicators. Ensuring access to quality healthcare is a priority, and the state's public health system plays a key role in delivering it fairly to all.

The Directorate of Health Services publishes the "**List of Modern Medicine Institutions**" annually, providing details of various healthcare facilities across Kerala. This report will be useful for policymakers in the Government and local self-governments. It will also serve as a valuable reference for academicians and researchers.

A special thanks to the **Statistics Division of DHS** and the **District Statistics Wing of all DMOs** for their efforts in compiling this report.
